

January 2009 Updates

01/31/09 Judy Patrick Alive & Well in Gilbert, AZ: Every once in a while someone stumbles across this website and I get a nice exchange of emails. Such is the case with Judy Patrick. On Friday I came by the lab to pick up my golf clubs and check emails before meeting up with James Williams for a round of golf. I had one email in my SPAM folder that looked like it held a familiar name, lo and behold it was Judy. We caught up a little bit on family because I have known her and her family for about 50 years now. Mom and dad are still kicking and her siblings are all well. She is living in Gilbert, Arizona and seems to be enjoying it...

01/29/09 Bad Mailing Addresses Keep Coming Around: To date, I have gotten a number of BBQ invites back due to bad addresses; even some of the ones that were okay three months ago have gone bad in the mean time. If you have a current address for Nedra Adams; Bill Owens; Birdie Mainus; Kathy Anson; Frank Ramos; Bradley Mora; Kenney Gather; or Rebecca Mize, drop me an email at farrellneeley@aol.com. If you have any addresses that you think I might not have, drop me an email at farrellneeley@aol.com

01/15/09 Reminders In The Mail Today: The second round of BBQ reminders are in the mail this morning. They will come to your home in a white envelope with the return address: Silvertips Alumni Network and stamped on the envelope in blue ink will be the text Arvin High School, Class of 1972, Information enclosed. In Late March or early April I will be sending out one last reminder and I will enclose a ticket request form for those of you who want to attend. I have heard from several of you that want to be there, so this will be your way to get a ticket or tickets. Put May 9, 2009 on your calendar now.

01/05/09 The Reminder Is In The Mail: In the next couple of weeks I will be sending out the reminder letters about our get together in [Woody](#) on May 9th. They will arrive in white envelopes and they'll have the same little Arvin High Class of 1972 Info Enclosed stamped on them as last time. Please make plans to be with us and enjoy the day. Mark the date down and then figure out how your going to get there and who you are going to bring. If you want to get your name on the list early, let me know (as some of you already have) that you will be there and how many guests are coming with you. The cost is \$7.20 a person. I encourage you to bring family and friends! Email me at farrellneeley@aol.com. Instructions on how to get your tickets and pay will be on the mailer. There will not be any tickets at the gate...
