

Class of 1972 Updates Archive 07_10

07/01/10 **Updated Email Information:** Darrell Fryar wanted all his friends to know that he can be reached by email through his wife Linda's yahoo account. Send email for Darrell to lindafryar@yahoo.com and Linda will see that it gets to him. Darrell is a successful electrical contractor in Mena, Arkansas as I recall from talking with him at the last class get together; Linda is retired.
