

## Class of 1972 Updates Archive: October 2008

10/29/08 The Letters Are In The Mail: I started mailing out information on the Class BBQ on the 26th and by the 28th a few of them had already come back due to some of you having moved. I mailed out 130 pieces because that was all of the addresses I could get from all of the sources I could call on. I know there are at least 170 more classmates I don't have addresses for. If you are reading this and you didn't get one, I don't have a mailing address for you. If you want to be added to future mailings, email me at [farrellneeley@aol.com](mailto:farrellneeley@aol.com) and I will put you on the list.

10/12/08 I Need A Current Mailing Address: Next week I will begin mailing out information on the Class BBQ we are planning for next May 9th. I have about 60 'good' addresses that I have accumulated over the past five years. No doubt, some of them are no longer good and some of you have been paroled by now anyway. My point is that I would love to have a mailing address and I would be glad to send you information; I promise not to solicit any of you for business purposes, personal loans, or general perversity. Email them to me at [farrellneeley@aol.com](mailto:farrellneeley@aol.com)

10/12/08 Alumni Golf Tournament: It was great to see class of 1972 classmates at the annual alumni golf tournament last Saturday out at the Sycamore Canyon Golf Course. Cyndy Blankenship, Jeff Campbell, James Williams, and I all did our best to represent you. I'm not saying that any of us produced great golf, but I am saying that we didn't misbehave so badly that the class reputation was besmirched either. We raised about \$10,000 for scholarships for AHS students for next year. The other big news is that going forward the golf tournament will be known as The Frank Barle Memorial in honor of Mr. Barle and in recognition of both his contributions and his passing this last year.
